SPRING SEASON ~ April to May 2019

Friendship Women Bible Study

APRIL 10 - MAY 29, 2019 9-10:30 AM in Speaker's Hall

Pack your bags. We're going on a journey. A quest to uncover Scripture and its meaning across history. Filmed on location in Israel and throughout the Middle East, the Faith Lessons DVD series is an adventure in biblical learning. In *Walking With God In The Desert - Experiencing Living Water When Life Is Tough*, we will discover that many times God led His people

through the desert where they learned to depend on His provision for all their needs. Teacher and historian Ray Vander Laan brings together history, culture, and geography to bring deep meaning to God's Word and help us find God in our deserts as we travel through Sinai, Paran, Zin, the Negev, and the wilderness of Judea. Seven DVD lessons will inspire a deeper faith, discover a new intimacy

with God, and experiencing God's amazing grace and provision. Each week in your quiet time alone with the Lord, you will delve into the Word of God through In-Depth Personal Study Sessions in the companion *Walking With God In The Desert* Discovery Guide. Then, we will gather together on Wednesday mornings at Speaker's Hall and watch an inspiring DVD lesson set in the Holy Land, then share together in a large group discussion led by Catherine Martin. This is a great opportunity to be encouraged in the Word, grow closer to the Lord, and invite friends to also experience the beauty of the Holy Land and know the Lord better.
