

Walking With God In The Desert

Friendship Women Schedule

Welcome, dear friends, to *Walking With God In The Desert*. We are going to have such a grand adventure together as we go on this journey with Ray Vander Laan in the deserts of south Sinai, Egypt, and Israel. Each week we will watch a video together and discuss what we have just seen. Then, we will have a discussion of what we have studied during the week that prepared us for what we learned on the video. Your next week's assignment will be found in the current week's information. Please note: we are beginning our first week with some extra videos by Ray Vander Laan to prepare us for our journey. We have an exciting time ahead of us. Let's pray we grow in our knowledge of Christ and discover more and more how to experience His living water in tough times.
