

## **COVID-19 Funding Opportunities for North Country Nonprofits Workshop**

We know this is a difficult time for all of you and we want to help support and bring as much clarity as we can for funding opportunities to help address the organizational challenges and funding needs as it relates to COVID-19.

On ***Wednesday, April 15th at 11 am-Noon EST***, Adirondack Foundation and United Way of the Adirondack Region are partnering with Diane Leonard, President of DH Leonard Grant Consulting, to offer a free workshop that provides an overview of the FEMA and CARES Act funding. Diane is a Grant Professional Certified and Approved Trainer of the Grant Professionals Association and is based in Clayton, NY. She and her team have worked with nonprofits all over the country securing federal, state, and regional funding for nonprofits. She is well versed in both applying and securing these types of grants as well as the unique assets and challenges facing the North Country region during this time.

Janine Scherline, Adirondack Foundation's Director of Donor Engagement, will serve as the moderator for the session and will facilitate the question and answer session at the end of the workshop. Ms. Scherline will also provide an update on the Adirondack Foundation's efforts to support nonprofits during the COVID-19 crisis.

Please register in advance for the workshop by going to:

Due to Zoom limitations, we can host 100 participants. Because of the anticipated number of nonprofits that will be joining the call, only one person per organization is permitted to join. If you join by computer, please use audio only, and keep your cameras off so we can maximize the bandwidth of the meeting. Video tends to tie up the bandwidth of the meeting and causes lags.

**Diane H. Leonard, GPS, LSPO, LSM** is a Grant Professional Certified (GPC) and Approved Trainer of the Grant Professionals Association. Diane is also a Certified Scrum Master and Certified Scrum Product Owner.

Since 2006, Diane and her team have secured more than \$61.9 million dollars in competitive grant awards for the clients of DH Leonard Consulting & Grant Writing Services. She is an active member of the Grant Professionals Association.

When not working with her team on grant applications for clients, Diane can be found in the 1000 Islands, out for a run, or drinking a strong cup of coffee.
