The Hamilton County Industrial Development Agency has been successful in obtaining a \$10,000 grant from the Adirondack Foundation's Urgent Needs fund. The HCIDA would like to offer these funds as relief to our Hamilton County businesses in the form of micro grants. We have designated 20 grants for \$500 each and these monies are earmarked for COVID-19 business relief.

Examples of eligible expenditures are Personal Protective Equipment (PPE) for you and your staff. This can include, but is not limited to masks, gloves, alcohol wipes, hand sanitizer, signage, etc. Please consider using local businesses for these needs if and when possible. Grants are available on a first come first serve basis.

Grant funds will be distributed once receipts have been provided as proof purchase. No grant funds can be issued for purchases or receipts prior to May 20, 2020.

To apply for the grant, simply submit an email stating your needs to: Christy@HamiltonCountyNY.gov.

For more information please contact Christy Wilt at: (518)548-3078.
