

WEST DISTRICT RESOURCE TEAM
IN COLLABORATION WITH
AD LIB MUSIC PRESENTS:

ENERGIZE *your* WORSHIP

a workshop with ad lib

SATURDAY, OCTOBER 27, 2018

CORNWALL UMC, 50 FREEMAN DR., LEBANON, PA

Are there ways that you would like to enhance and energize your worship services? Are you struggling to make rehearsals effective, efficient and more spiritually focused? This interactive workshop will allow worship teams, pastors and tech support crews to develop new skills and approaches to the planning, rehearsing and leading of worship services.

The experts from **adLIB Music** (<https://adlibmusic.com>) will provide training that is experiential, interactive and allows for discussion in small and large groups.

At the end of the day, you will have materials and plans that you can take back and use in your home church. Ideally, we would encourage each church to send a group that includes pastors, leaders/members of the choir/worship team, instrumentalists, and those who design liturgy, audio/visual, and artistic aspects of the service.

Time: 8am registration/snacks

8:30am-12:30pm run-time

Cost: \$15 per person 1 to 4 people

\$10 for the next 4 people

\$100 max for groups up to 10 people

Teams with more than 10, please contact the District Office at

717-569-9673.

They will have to be waitlisted.

Registration Deadline: October 15
