

REGISTER TODAY AND SAVE 50%

If you haven't heard the news, we have partnered with [NAVC HiVE](#) as an industry supporter of the HiVE Midwest events in Chicago, June 7+8, 2025.

HiVE is coming to our neck of the woods and as a CVMA member perk, use code: **CVMA** for 50% off registrations (valid on new registrations only).

While this event offers 10 hours of RACE-approved CE, it's much more than that! With the Opening Night Social and peer-to-peer mentoring sessions, you'll gain valuable industry connections along with personal and professional development opportunities.

This event is dedicated to the vet tech, assistant and practice management staff, so be sure to also pass this along to your staff and/or colleagues!

HiVE Midwest is only two weeks away, so don't wait to save your spot!
