CVMA
Chicago Veterinary Medical Association

We're committed to the well-being of our Chicago Veterinary Medical Association community. That's why we have partnered with ReferralGPS to offer **Pawsitive Minds: Improving Veterinary Mental Health** a free, web-based service to match individuals to local mental health providers.

ReferralGPS Offers:

✓ A **database** of local mental health providers
✓ **Care Navigation** to help find the right resources for your unique needs

How to Access ReferralGPS

Visit **https://referralgps.com/find-help/cvma** to search for resources or connect with a Care Navigator

---

The ReferralGPS service is free for all CVMA members, staff, and families. It works with all types of insurances (PPO, HMO, Medicaid, Medicare) and can support those uninsured or underinsured.

It's best to check with your insurance provider on mental health coverage for treatment. The mental health professional you are matched with can assist with verifying treatment costs as insurance plan coverage varies.

All information entered on ReferralGPS is completely confidential and securely stored.
