CVMA
Chicago Veterinary Medical Association

Shaping the Future of Veterinary Medicine

Member Benefits: CVMA member benefits are robust to specifically support the needs of the veterinary profession. To become a member of this dynamic organization, complete the registration form on the back of this page or visit the website at www.chicagovma.org.

Continuing Education: Nationally renowned subject-matter experts present relevant information on meaningful topics keeping veterinary professionals current in their field while earning continuing education credits. Members receive discounted course rates and complimentary seminars throughout the year.

Communications: The members-only portal of the CVMA contains valuable information for members such as member benefit discounts, and informative relevant articles. The monthly newsletter, **VET*Connect*Chicago**, spotlights what is happening in the field of veterinary medicine, events, and networking opportunities.

Career Center: Through positions posted for professionals in the field of animal care, careers are advanced and connections are made.

Mentoring: Learn from the best. CVMA mentors answer questions and shares valuable experiences to enhance your career.

Networking: CVMA provides networking opportunities for professionals in the veterinary field to build knowledge, share insights, and establish friendships.

About the Chicago Veterinary Medical Association (CVMA): CVMA is the premier non-profit organization dedicated to advancing the veterinary profession through advocacy, engagement, and enrichment while protecting animal welfare and public health. CVMA provides animal care professionals with forward-thinking insights, state-of-the-art knowledge, and a strong professional network to lead animal wellness and care into the future.

Value-Added Member Benefits: Members have access to discounts with CVMA partners. Attorneys, business services, technology, supplies, travel, event tickets, mental health professionals, a complimentary form library, and more are available to our members.

Pet-Loss Support: CVMA provides an avenue for pet owners to mourn and grieve the loss of their pets. CVMA maintains a phone helpline and a real-time virtual support group.

Public Education: CVMA develops events and programs to educate the public on optimum health care for pets and to stimulate the demand for quality veterinary services.

Public Relations: CVMA connects with local media to spread the word regarding animal care and safety and the importance of the animal/human bond.

Vet Student Program: The CVMA provides support for the next generation of professionals. Through partnerships with schools of higher learning, students are connected to the real world of veterinary medicine.
