Dear VTPOC,

I am pleased to inform you that the City of Burlington has chosen to award VTPOC & VHEI a Key to the City for your exemplary service to Burlington in the Covid-19 Emergency. I invite you to join me and other local leaders on Saturday July 3rd, 2021 at 5:00 pm in Battery Park where we hold a brief Ceremony for you and 9 other recipient's.

At this event I will also dedicate a planting and memorial stone to the people of Burlington who, like you, demonstrated a profound commitment to our community and through collective action ensured that Burlington remained one of the safest City's in the nation throughout 457 days of the Covid emergency.

Thank you for your deep and abiding commitment to Burlington. I hope that you will join us for this special commemoration and I hope to have the opportunity to thank you for your service in person.

Warmly,
Mayor Miro Weinberger
