

# ASIAN UNIVERSITY FOR WOMEN

## Call for Applications: Math Teaching Fellow

The **Asian University for Women (AUW)** seeks to appoint a Teaching Fellow to teach Math to secondary school girls. Located in Chittagong, Bangladesh, AUW is a liberal arts institution and home to international faculty and over 800 students from 16 Asian countries. The university is dedicated to teaching excellence in a liberal arts setting with a strong commitment to research, scholarly engagement, and effecting positive social change. Further information about AUW is available at [www.auw.edu.bd](http://www.auw.edu.bd).

The **Math & Physics Summer School** seeks to provide a rigorous immersion program for girls who have a demonstrated aptitude in math and physics. The purpose of the program is to intervene in a positive way at the juncture of a young woman's educational career, when she is most prone to drop her pursuit of math and science. This program reinforces a self-recognition of her talents and assists with her mastery of core skills in these areas so as to effectively empower her to develop in her education and career. This program encourages active learning and preparation for university-level math and physics in AUW's supportive residential learning environment.

<b>Location:</b>	Asian University for Women 20/A M. M. Ali Road Chittagong, Bangladesh 4000
<b>Dates:</b>	July 5, 2019 – August 9, 2019 5 Weeks / 35 Days
