a Section of the American Water Works Association

### **Requirements to Participate in Live Streaming of NEWWA Courses**

As a result of the COVID-19 virus pandemic and contact avoidance recommendations, NEWWA has decided to offer an opportunity to earn TCHs by participating in live online 3 hour duration classes, while in-person training continues to be unavailable in all locations. (Note: NEWWA has requested permission to provide TCH certificates from all the New England states at this time.)

To participate you must be able to do the following:

1. Must register with NEWWA to attend the course. Registration can be done on the NEWWA website : [www.newwa.org](http://www.newwa.org) . A roll call attendance will be taken at different points during the event. (If you were previously registered for one of the in-person classes and NEWWA has already contacted you, you can transfer your registration from the in-person to the online live class.)
2. An active and reliable internet connection with a laptop, desktop computer **OR** a tablet with reliable internet access.
3. An email address that is valid that can send and receive messages, as well as attached files in Word or PDF file format.
4. The ability to call into a provided phone number for class audio. (Note: call in numbers are not necessarily toll free.)

Thank you for your cooperation during this emergency situation. Please continue to follow the recommendations of the public health officials, and stay healthy and safe!
