

First Semester Round-up

BETTER TOGETHER. OUR BACK TO SCHOOL KICKOFF

It was the night before school, and all through the playground, students, families and faculty gathered for our Back-to-School Barbecue and Ice Cream Social. A special thanks to Sister Kathleen Murray for coordinating this fun family event.

SISTER THEA BOWMAN FALCONS TAKE ON DIOCESAN TOURNAMENT

For the first time in 15 years, Sister Thea Bowman had a basketball team participate in the Diocesan Tournament. The seventh- and eighth-grade team, coached by Mr. Nance and Mr. Grimmett, practiced over winter break and then played two close, hard-fought games in the Tournament, which was held the first week of January at Althoff Catholic High School. Way to go, STBCS Falcons!

The school is currently exploring options to bring future athletic opportunities to our students. If you are interested in helping us develop our sports programs and/or have skills and experience to share in basketball, volleyball or track/cross country, please reach out to our office at (618) 397-0316.
