

STUDENT SPOTLIGHT

Sister Thea Bowman is committed to recognizing students who exemplify Christ's teachings, make good choices, uphold the school's values and look for opportunities to improve their school, their community and their world. Our "Peacemakers" program honors these students with special monthly events. This semester, we've held an ice cream social, a fall harvest party and a special presentation by Cahokia Mounds. Congratulations to all of our Peacemakers from first semester.

JUNIOR HIGH FIELD TRIP OFFERS AN OPPORTUNITY TO EXPLORE

On a beautiful September day, students left their classrooms behind and spent the day exploring. They enjoyed geocaching (looking for hidden "caches" by following coordinates) in Forest Park, followed by a picnic lunch, and an afternoon at the St. Louis Zoo.
