**TRAGEDY TO
TRIUMPH
PODCAST
WITH DAVE ROEVER**

In just a few weeks, we will open the first of many Military Couples Sessions for 2026 at our spectacular Eagles Summit Ranch in the Rocky Mountains of Colorado. Every cabin and lodge accommodation is fully booked with military couples who are committed to making their marriages the very best they can be. Broken relationships are being restored, strengthened, and renewed.

All airline travel, housing, food, and training are provided at no cost because of your generous support of this ministry. These couples pay nothing. It has already cost them an arm and a leg to give us our freedom. Now it is our turn to give back hope and healing.

Our K-12 and Global REAP University schools in Vietnam and 47 other countries are bursting at the seams with growth. As we approach 500,000 students worldwide, the sun truly never sets on our Christian education mission. It continues unabated and stronger than ever.

As you read this letter, I am in recovery from surgery number 64. This six-week sabbatical is filled with pain and reconstruction from war-zone injuries. The war may be over, but the recovery is not. Please take a moment to pray for complete healing and that I will be able to walk without excruciating pain. During this medical hiatus, support from those who are faithful and caring in giving to this ministry will help mitigate the financial stress incurred by lost speaking fees.

I love you all more than words can express. I can never thank you enough for your faithful prayers and unwavering support for me personally and for this ministry.

Can I count on you to help meet this difficult challenge of changing our nation and the world by turning back to hope in Jesus Christ? He is still the answer. It is more than obvious that nothing else has worked.

Thank God for our partnership and the difference it is making. Through your one-time gifts and monthly support, we will continue to create change that is eternal.

God bless you, and Happy New Year!
