July 19th:

Rivers Church
Delta, CO

July 25th:

Christmas in July
ESRCO - Westcliffe, CO

July 26th:

Generations Church
Guthrie, OK

July 30th:

Patriot Round Up
Air Power Foundation

August 1st:

Dayspring Church
Santa Fe, TX

Dear Friends and Partners,

As we celebrated the 250th anniversary of the United States, we do so with grateful hearts, giving thanks to God for His faithfulness. Scripture reminds us, "Blessed is the nation whose God is the Lord." As we reflect on His blessings, I asked Dr. Dan N. Dang, our Chief Operating Officer, to prepare a report highlighting how God has guided and blessed the Dave Roever Evangelistic Association, the Roever Foundation, REAP International K-12 Schools, and Roever Educational Assistance Programs (REAP) International.

Our journey together is a testimony to God's faithful hand at work.

A Divine Connection: From Da Nang to Texas

In 1974, I returned to Vietnam. While in Da Nang, I had the privilege of speaking to 500 students at an event organized by Pastor Tho N. Dang, the father of Dr. Dan N. Dang. I remember telling those students:

**TRAGEDY TO
TRIUMPH
PODCAST**
WITH DAVE ROEVER

"The first time I came to Vietnam, I came with an M16. This time, I return with John 3:16."

After hearing those words, young Dan turned to his father and said he wanted to follow in my footsteps.

God's Perfect Timing

Just one year later, Saigon fell, and Pastor Tho N. Dang safely brought his family to the United States as refugees.

Seventeen years later, Dan's employer transferred him from Omaha, Nebraska, to Fort Worth, Texas. In what could only be God's providence, his new office was directly across the street from ours.

The desire God placed in Dan's heart as a young boy had never faded. In His perfect timing, He reunited our paths, and in 1994, Roever Educational Assistance Programs (REAP) International was born.

Thank You for Being Part of the Story

We invite you to read the enclosed report and see how the seed planted in 1974 has grown into a global ministry impacting lives around the world.

Thank you for your faithful prayers, generous support, and partnership. Together, we continue sharing the hope of Jesus Christ with people across the nations.

May God richly bless you, and may He continue to bless America.

In His Service,
Dave Roever

Dear Friends and Ministry Partners,

Greetings in the precious name of our Lord and Savior, Jesus Christ.

Thank you for your faithful prayers, encouragement, and generous support. Because of partners like you, lives are being transformed, leaders are being equipped, and the Gospel continues to advance around the world.

A Legacy of Faithful Service

REAP International stands on the remarkable ministry legacy of Dr. Dave Roever, founder of the Dave Roever Evangelistic Association (REA), the Roever Foundation (RF), and REAP International. For more than 50 years, Dr. Roever has faithfully proclaimed the Gospel across the globe, impacting millions through evangelism, leadership development, and Christian service.

As a Vietnam War veteran who overcame devastating combat injuries, Dr. Roever has also devoted his life to serving wounded veterans and their families. Through this ministry, thousands have experienced healing, restoration, renewed purpose, and reconciliation with God and others. His testimony continues to inspire people to trust God's faithfulness in every season.

More than 30 years ago, Dr. Dave Roever partnered with Dr. Dan N. Dang to establish REAP International, a ministry dedicated to fulfilling the Great Commission by making disciples who make disciples.

Global Discipleship Impact

Today, REAP International has grown into a global discipleship movement with more than **600,000 students** participating in disciple-making programs across 44 countries, in 12 languages, through thousands of churches, ministries, and training centers. The largest concentrations of students are found in Vietnam, Hmong communities throughout Southeast Asia, and multiple nations across Africa.

One of our greatest opportunities is among the Hmong people, where more than **100,000 believers** are waiting to receive discipleship training through the REAP curriculum. The hunger for biblical teaching continues to exceed available resources. Through REAP's multiplying discipleship model, pastors, church leaders, and believers are equipped to grow in their faith while training others to do the same.

Christian Education Through Newman Schools

REAP International is also investing in the next generation through Christian education. Our two Newman Schools are now entering their seventh year, providing quality academics grounded in biblical values, character development, and Christian leadership. We are excited to announce that two additional Newman Schools are scheduled to open in August 2026, expanding educational opportunities for even more children and families.

Ministry Growth in the United States

The Lord continues to open new doors across the United States. REAP discipleship programs are helping equip American military veterans and more than 1,000 Vietnamese believers living in the United States. Many participants have experienced renewed spiritual growth, stronger family relationships, and greater effectiveness in ministry.

New Opportunities in Prison Ministry

We are also excited to expand into prison ministry throughout Texas. By bringing discipleship training, biblical education, and spiritual mentoring into correctional facilities, we are sharing the hope of Christ with men and women seeking lasting transformation. We believe God is opening a significant mission field where changed lives can become powerful testimonies of His grace.

Looking Ahead

God continues to provide extraordinary opportunities, including:

- More than 100,000 Hmong believers waiting for discipleship training
- Expansion into additional countries and language groups
- Two new Newman Schools opening in 2026
- Continued growth in veteran outreach across the United States
- Expansion of prison ministry throughout Texas
- Ongoing leadership development and church multiplication worldwide

A Call to Partnership

The Great Commission remains unfinished, and millions still need discipleship, biblical education, and Christ-centered leadership. Your partnership makes it possible to:

- Train pastors and church leaders
- Produce and distribute discipleship resources
- Expand ministry into new countries and languages
- Support Christian education through Newman Schools
- Reach veterans and their families
- Bring hope to those in prison
- Equip future generations of Christian leaders

Together, we are making disciples, strengthening churches, and advancing the Kingdom of God around the world.

Thank you for your faithful prayers, encouragement, and financial support. Your investment is bearing fruit in countless lives and helping fulfill Christ's command to make disciples of all nations. May God richly bless you for your faithfulness and generosity.

"Go therefore and make disciples of all nations." -Matthew 28:19

In Christ,
Dan N. Dang

Disciple the Disciples. Train the Trainers. Lead the Leaders.
