

Holiday Shopping

Consider alternative ways to purchase gifts other than visiting stores in person, where possible.

Stay home if you have tested positive or have symptoms of COVID-19, which can include fever or chills, cough, shortness of breath, or other symptoms.

Lower Risk. Consider shopping online.

Medium Risk. If you choose to shop in-person, wear your mask and maintain 6 feet of distance between you and others. Try to shop at off-peak times when there are fewer shoppers.

Higher Risk. High-risk activities include in-person sale promotions or holiday activities that encourage large crowds and lining up for limited supply deals, which make social distancing a challenge.

Holiday Meals

- Limit the number of people for which social distancing is possible before, during, and after the meal.
- Consider single-use disposable utensils and dishware for serving and eating meals.
- Wash and disinfect guest areas before and after holiday gatherings.
