

Meet the Middle School Assistant Principal

Welcome! What an amazing journey we get to embark on together. This is my ninth year at HSA McKinley and I am excited to transition out of role as middle school social studies teacher and into the role of middle school assistant principal. I earned my BA in History at UIC, and my MA in Curriculum and Instruction from St. Xavier University. I also hold endorsements in ESL, Bi-lingual, and Elementary Education. Currently, I am pursuing a second MA at Concordia University. I am so excited to work with the students this year to help develop their academic skills and essential principles of pride, respect, and responsibility as they become contributing members of our community.

To our Students: I hope you all had a wonderful summer! Middle school is an important time in your journey of social and academic growth. It is a time to stretch our thinking, grow in character, and make lifelong memories.

My ultimate goal is for each one of you to be empowered and experience success in your educational journey. I will support and encourage you in any way I can as you will no doubt do great things. Remember, you are capable of more than you know.

To our Families: I am looking forward to a very successful year, and I know you are too. I have high expectations for your child and will do all that I can to help. With your collaboration I am sure we can make this a productive school year.

One of my most important goals this year is to keep lines of communication open with you through phone calls, emails, and newsletters. Please do not hesitate to contact me if you have any questions or concerns during year.
