

Certified Pool Operators Course

May 16, 17 & 18, 2022

Mount Pearl Summit Centre - 126 Smallwood Drive, Mount Pearl

Limited Space Available

CPO® certification courses are designed to provide individuals with the basic knowledge, techniques, and skills of pool and spa operations. Instructors receive comprehensive training and certification to teach the CPO certification program. This training has helped protect millions by reducing hazards at aquatic facilities.

Course Information

- **The CPO certification program includes pool and spa chemistry, testing, treatment, filtration, maintenance, automatic feeding equipment, and government requirements**
- **The CPO certification program requires an open book written examination**
- **The CPO certification is valid for five years**

Course Benefits

- **Proven educational tool**
- **Widely accepted by municipal and provincial authorities**
- **Covers topics necessary for pool operators including a section for local codes**
- **Comprehensive handbook that is updated regularly**
- **All courses are taught by NSPF certified instructors**
- **Gives participants a better understanding of the operator's role in pool care, management and risk reduction**
