### **Washington County State of the County**

In what was essentially a retirement farewell celebration, Washington County Chairman Andy Duyck gave his last "State of the County" address covering topics that included growth, transportation, housing, water, and the event center. Several westside leaders shared their insight and at the end gave tribute to Duyck, who has served on the Washington County Board of Commissioners for 24 years. To see the video clips, [click here](#).

Chairman Duyck also spoke to the county's rich diversity of residents, noting that one in six residents living in the county had been born outside of the United States and one in four primarily spoke a non-English language at home. PMAR Realtors® have access to the fully translatable [www.HOWNW.com](http://www.HOWNW.com) that may be helpful when working with these potential homebuyers. The website can be translated into languages ranging from Afrikaans to Yiddish. Just go to the bottom of the home-page to make the appropriate selection.
