Stronger Together: Uniting for Child & Family Well-Being

Hosted By:  **CCCMHC**  **Prevent Child Abuse Nevada**

Join us for the 2025 Nevada Family Wellness Summit, a statewide event focused on promoting the well-being of children and families. Hosted by Prevent Child Abuse Nevada and the Clark County Children's Mental Health Consortium, the summit combines the following events:

## Annual Child Safety and Abuse Prevention Conference + Annual Children's Mental Health Summit!

Together, we'll explore how these factors along with the broader conditions in which families live, work, and grow contribute to building strong, resilient communities. The event will also align with the Essentials for Childhood framework, which emphasizes safe, stable, and nurturing relationships and environments for all children.
