## MEET & LEARN

This unique one-day summit is brought to you by the California Network for Manufacturing Innovation (CNMI), a collaboration of universities, research laboratories and MEP Centers. The goal of the summit is to raise awareness of the threats that cyber attacks pose to small and mid-sized manufacturers and to inform manufacturers of the importance of implementing Cybersecurity measures.

## AGENDA

8:00 am to 9:00 am Registration, Badging, Continental Breakfast, and Networking
