# — SPRING 2023 EDI BOOK CLUB —

Arizona Arts faculty and staff, including graduate teaching assistants, are invited to join the new Equity, Diversity, and Inclusion Book Club! The club welcomes all perspectives and experiences to foster a respectful and courageous space to grow our individual and collective understanding of EDI principles.

To start off this coming semester we will meet virtually four times to discuss *Disability Visibility: First-Person Stories from the Twenty-first Century* by Alice Wong which will be provided free courtesy of Arizona Arts. We ask that anyone interested in participating commit to all four meetings to foster ongoing dialogue and shared community.
