## OUR LADY OF FLORIDA SPIRITUAL CENTER

March 2021

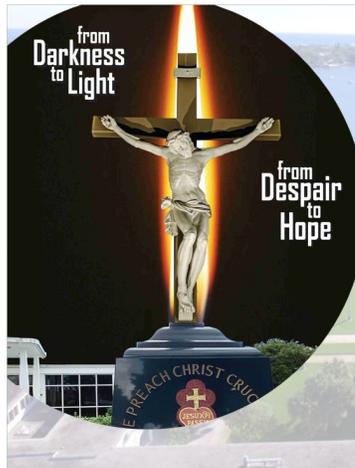

Dear Friends of OLOF,

In our spiritual center, before a group or guests arrive, we do a lot of preparations to make the retreat experience very comfortable and meaningful for the retreatants. This is an indication that most often, the important and remarkable things do not just happen without serious preparations. For an ordination and profession to take place there must be a period of formation; for graduation, a period of serious academic struggles and efforts; for marriage, a period of dating and courtship and for Christmas, a period of advent.

One of the specific characteristics of the season of Lent is preparation. Lent is a sacred time to prepare us for a meaningful and worthy celebration of the Passion, Death and Resurrection of Our Lord Jesus Christ. I hear people talk about wanting to make a good Lent. Our Lady of Florida Spiritual Center offers Lenten Retreats and Programs (both on-site and Virtual) that will help you make your best Lent ever.

### Days of Retreat on March 20 & 27, 2021 (Both Men and Women):
