

January Virtual Programs

CROWDER COUNTY PARK

Call 919-662-2850 or email us at crowderpark@wakegov.com to register for programs.
You can also register at our website: www.wakegov.com/parks/crowder.

Crowder by Night: Predators and Prey

Friday, January 8; 3:00-4 p.m.

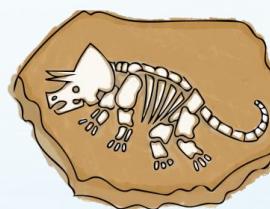

Predators adapt to catch their prey and the hunted adapt ways to avoid being eaten. This balance between predators and their prey is essential to a healthy ecosystem. We will look at many predator-prey relationships, the food chain, skulls and teeth of mammals, and do some interactive activities to test our knowledge. For all ages; FREE. Registration required for all virtual programs. A zoom link will be sent out to all registered participants a day before the program start date.

Nature Families: Duck, Duck, Goose

Tuesday, January 12; 11:00 a.m.- Noon

Ducks and geese are on the move! Get to know our native waterfowl up close. Study feathers, beaks, and feet, and learn about one of our most special birds: Wood Ducks! For all ages; FREE. Registration required for all virtual programs. A zoom link will be sent out to all registered participants a day before the program start date.

Family Features: Fantastic Fossils

Sunday, January 17; 2:00-3:00 p.m.

Fossils tell scientists how animals and plants lived a long time ago. Join us as we become Junior Paleontologists! Learn all about the rock cycle, discover in which ways rock fossils form, and help us with some fun virtual activities. For all ages; FREE. Registration required for all virtual programs. A zoom link will be sent out to all registered participants a day before the program start date.

February Virtual Programs

CROWDER COUNTY PARK

Call 919-662-2850 or email us at crowderpark@wakegov.com to register for programs.
You can also register at our website: www.wakegov.com/parks/crowder.

Crowder by Night: Owl Prowl

Friday, February 26; 3:00-4:00 p.m.

Join us and discover the kinds of owls that are found in the Piedmont, what they eat, where they live, and what they sound like. Watch an owl pellet dissection, practice your owl calls, and play games with fun interactive activities. For all ages; FREE. Registration required for all virtual programs. A zoom link will be sent out to all registered participants a day before the program start date.

Family Feature: Happy Valentines Day Mother Nature!

Sunday, February 14; 2:00-3:00 p.m.

Did you give a valentine to Mother Nature this year? Join us as we celebrate a day of love and kindness at the park! Learn all about animal couples and their families, read a fun story, then create a homemade Valentine to send to the park for display in the month of February. Mother Nature at Crowder is sure to appreciate it! For all ages; FREE. Registration required for all virtual programs. A zoom link will be sent out to all registered participants a day before the program start date.

Nature Families: Busy Beavers

Tuesday, February 9; 11:00 a.m.- Noon

Did you know that beavers are actually large rodents? Join us and discover the parts of a beaver, what they like to eat, and why these little engineers are so important to our eco-systems. We will test your knowledge in a round of trivia, and you can watch as we “build a beaver”. For all ages; FREE. Registration required for all virtual programs. A zoom link will be sent out to all registered participants a day before the program start date.

March Virtual Programs

CROWDER COUNTY PARK

Call 919-662-2850 or email us at crowderpark@wakegov.com to register for programs.
You can also register at our website: www.wakegov.com/parks/crowder.

Crowder by Night: Outstanding Opossums

Friday, March 5, 3:00-4:00 p.m.

Did you know that Opossums are the only marsupial located in North America? Come learn all about these fascinating animals and the important roles they play in maintaining healthy natural ecosystems, and join us for some fun awesome opossum games! For all ages; FREE. Registration required for all virtual programs. A zoom link will be sent out to all registered participants a day before the program start date.

Nature Families: Crazy Corvids

Sunday, March 14; 2:00-3:00 p.m.

Did you know crows, ravens, and blue jays are super smart? Join us and learn all about these fascinating birds! Practice your corvid calls and play some fun interactive activities. For all ages; FREE. Registration required for all virtual programs. A zoom link will be sent out to all registered participants a day before the program start date.

Family Features: Silly Salamanders

Tuesday, March 9; 11:00 a.m.- Noon

As spring arrives, so do salamanders, frogs, and other amphibians. Learn the unique adaptations of a salamander, play a life cycle game, and join us for a meet a greet with a live amphibian. For all ages; FREE. Registration required for all virtual programs. A zoom link will be sent out to all registered participants a day before the program start date.
