

## Welcome back to the 2017-2018 School Year

Dear MLU Parents:

We hope everyone had a wonderful summer and is looking forward to an exciting year of learning. Our first day of school will be **Tuesday, Sept 5<sup>th</sup>**. The entire Staff is looking forward to greeting everyone on the first day with big smiles and hugs!!!!

At My Little University, the curriculum of choice is the Creative Curriculum; a high quality, comprehensive, research-based program that encompasses exploration and discovery as a way of developing children's learning. The goal is to identify and provide developmentally and age appropriate activities that cover the 10 areas of Early Childhood Development, as listed below:

- Social-Emotional
- Physical
- Language
- Cognitive
- Literacy
- Mathematics
- Science & Technology
- Social Studies
- The Arts
- English Language Acquisition

This summer, we have been working hard planning our Teaching Strategies. The most important goal of our curriculum is to help each student become an enthusiastic learner by encouraging them to be active and creative explorers. The classroom environment has been prepared to develop independent, confident, and inquisitive learners.

Our interest areas include 10 different Centers: Blocks, Dramatic Play, Toys and Games, Art, Library, Discovery, Sand and Water, Music and Movement, Cooking, and Technology. Through constructive, purposeful play, students enjoy learning while building a strong foundation for a successful future. Family letters will be sent home throughout the year regarding all interest areas.

We are looking forward to an amazing year of learning and development.

Yours in Education,  
My Little University Team
