2018 School Year

Dear My Little University parents,

We are Smart Lunches, a catering company that specializes in lunch delivery services for children. Our meals are nutritionally balanced, delicious and kid friendly.

Our in-house chefs and nutritionists create **large, varied lunch menus** filled with tasty hot and cold main dishes, sides, snacks, soups and drinks. Our chefs' recipes are all **100% nut-free**, nutrient-dense, sensible about salt and sugar, and served in portion sizes appropriate for kids of several different age groups.

We will be providing lunch service Monday through Friday. Meals consist of a main entrée and two sides - one fruit and one vegetable. Drinks and snacks can be added to orders for an additional cost. Our lunches are individually packaged and labeled with your child's name. Orders must be placed two days in advance of the day you would like to receive service. Please keep this in mind when you are placing your orders. Order processing is automated by visiting our web site: www.SmartLunches.com

Simply log in, create a profile, and follow the directions to place orders for your child/children. Our web site offers information on nutritional values, allergy listings, and general updates. You may also edit your orders at any time. The upcoming monthly menu is posted by the last week of each current month.

If you have trouble navigating through our website, feel free to contact us and someone from our customer service team would be happy to "walk" you through the process.

If your child is not attending school for any reason, be sure to cancel lunch the day before. Otherwise, lunch will be billed to your Tuition Express Account.

We look forward to serving your children!
