International Facility Management Association

PROUD TO ANNOUNCE

The Teena Shouse Advancing Women in Facilities *Scholarship*

A joint initiative of SOLID Surface Care and IFMA's Corporate Facilities Council, created to invest in the future of women in facilities management.

Honoring **Teena Shouse** for her leadership, mentorship and unwavering dedication to the IFMA community and the profession.

Empowering the next generation of women to lead, innovate and shape the future of facilities management.

THE SCHOLARSHIP

Provides $4,500 annually to a deserving woman pursuing a degree or career path in facilities management, including a trip to IFMA's World Workplace.

OUR COMMITMENT

SOLID Surface Care and the Corporate Facilities Council (CFC) have teamed up to fund this scholarship through the IFMA Foundation.

ADMINISTERED BY

The IFMA Foundation with representation from the CFC. The scholarship will be awarded each year at World Workplace.

OUR PURPOSE

To advance women in facilities management and build a stronger, more inclusive future for our profession and our communities.

FM Women Connect

Supporting the FM Women Connect Community

This scholarship aligns with the mission of FM Women Connect, the IFMA Corporate Facilities Council's community dedicated to connecting women, sharing knowledge and advancing opportunities across the facilities management profession.

Together, we're building a stronger future—one leader at a time.

Thank you, Teena, for the impact you make every day.

This scholarship is a small reflection of the lasting difference you've made—and continue to make.
