

PAOCC Advent Season 2024

“Embracing The Everlasting Light!”

This Advent season, we invite you on a spiritual journey of reflection, hope, and renewal. In a world filled with difficulties and distractions, let us turn our hearts to the true source of light—one that outshines even the darkest days. Join us as we seek the Everlasting Light, a light that brings peace, joy, and fulfillment into our lives and illuminates the path forward. Through prayer, worship, and acts of kindness, let us come together in anticipation and gratitude. Let us come expecting to receive a renewed faith, that will help us light the way for others. Let us be reminded that the Everlasting Light resides within us all, guiding our way and igniting hope. Let us allow our inner light to shine brightly through acts of faith, which will advance our mission, and help us rise above the darkness of our times.
