Alkebulan Alumni Association

P R E S E N T S :

Deeply Rooted in Purpose

SUMMER CAMP

The summer learning experience is designed to provide an opportunity for like minded youth to connect and engage in dynamic classes, strengthening the youth's academic and social skills, recreational activities, as well as their spiritual and cultural understanding. We aim to help campers return to the abundance of nature, so that it is developed, preserved and maintained for future generations.

**23RD JUNE - 14TH JULY ON
BELUAH LAND FARMS**
