The Los Angeles Community College District (LACCD) \$9.6 billion capital improvement program seeks to modernize and renovate the nine colleges and two satellite campuses. Since 2001, BuildLACCD has constructed new and renovated academic buildings, libraries, laboratories, sports facilities, arts complexes, administrative buildings, child development centers, central energy plants and implemented renewable energy projects. The Board of Trustees established a 30% Local, Small, Emerging, Disabled Board Veteran (LSEDV) participation goal for all contracts to ensure contracting opportunities for all.
