

STEP 1

Cut out daffodil bases and glue onto craft sticks using a glue stick

STEP 2

Cut out, fold and glue back to back

STEP 3

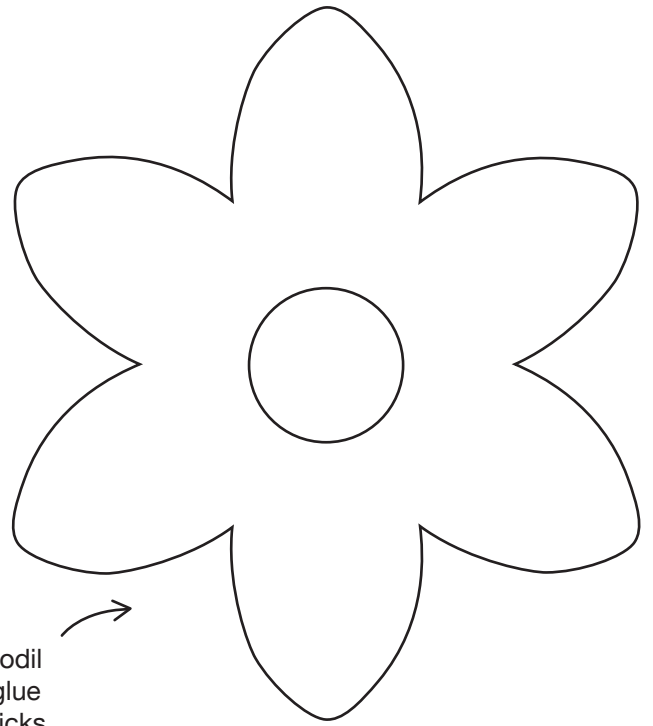

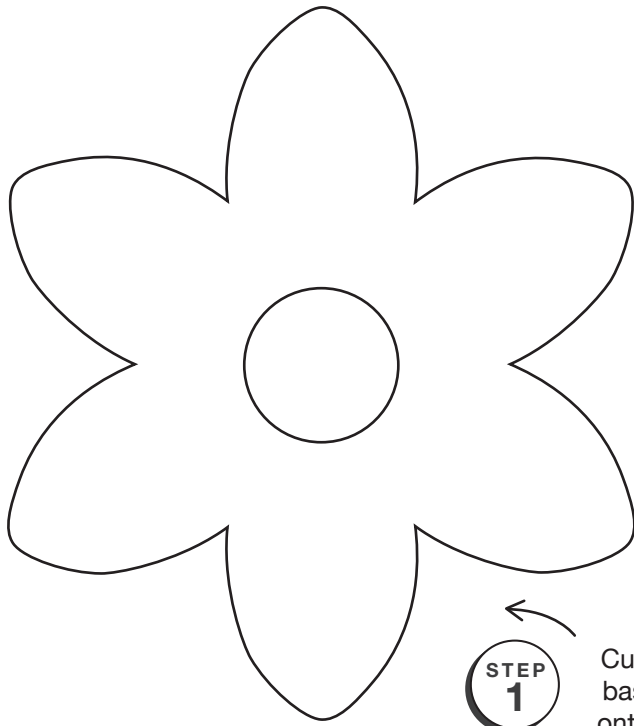

Fold inwards to create tabs that will attach this part to the daffodil base

STEP 4

Roll into cylinder shape and glue together with this rounded tab. Glue directly over the orange dot on daffodil base to create your finished daffodil

STEP 5

Repeat steps 2, 3 and 4 with this piece

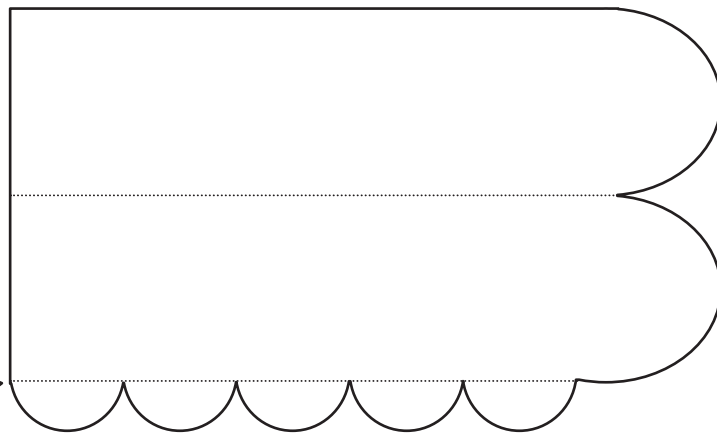

STEP 1

Cut out daffodil bases and glue onto craft sticks using a glue stick

STEP 2

Cut out, fold and glue back to back

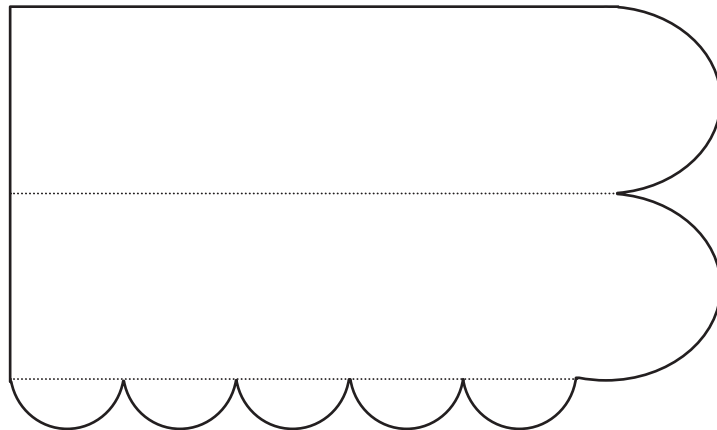

STEP 4

Roll into cylinder shape and glue together with this rounded tab. Glue directly over the centre of the daffodil base to create your finished daffodil

STEP 3

Fold inwards to create tabs that will attach this part to the daffodil base

STEP 5

Repeat steps 2, 3 and 4 with this piece
