

BOREDOM BUSTER BAGS

Children with a cancer diagnosis often have extended hospital stays. Boredom Buster Bags provide patients a little distraction from a day that can often be filled with tests, chemotherapy treatments, and BOREDOM!

Here are some items that our patients love that can be included in your bag:

- Small Lego Sets
- Play-Doh
- Pop-its or Other Fidget Toys
- Beanie Babies or Similar Small Stuffed Animals
- Craft Kits (friendship bracelets, wind chimes, string art or similar)
- Card Games (Uno, Blink, Go Fish or similar)
- Small Slime Kits
- Brainwright Puzzles and Games
- Imagine Ink Activity Books
- Stamp or Sticker Sets
- Board Books
- Toddler Toys
- Markers, Crayons, or Colored Pencils
- Matchbox or other Small Cars

These are merely suggested items and we invite you to think creatively when assembling your bags. Please attempt to find unique items. **All items must be NEW.**
