

TEEN BOREDOM BUSTER BAGS

Teens with a cancer diagnosis often have extended hospital stays. Boredom Buster Bags provide patients a little distraction from a day that can often be filled with tests, chemotherapy treatments and BOREDOM!

Here are some items that our teenage patients love that can be included in your bag:

- Ear Buds
- Portable Speakers
- USB Drives
- Pop-its or Other Fidget Toys
- Over-The-Door Mini Basketball Sets
- Brainwright Puzzles and Games
- Rubix Cube or Similar Twisting Puzzles
- Kanoodle or Similar Brainteasers
- Handheld Electronic Games (Yahtzee, Hangman, Pac-Man or similar)
- Craft Kits (origami, jewelry, fingerprint art, friendship bracelets, cross-stitch or similar)
- Canvas Painting Kits
- Card Games (UNO, Would you Rather, Monopoly Deal or similar)
- Journal with Good Quality Ballpoint Pens
- Adult/Mandala Coloring Books with Colored Pencils/Sharpener

These are just suggested items and we invite you to think creatively when assembling your bags. Please consider what teens would find entertaining and attempt to find unique items. **All items must be NEW.**
