

Seedling Foundation is a proud participant of National Mentoring Month, which is a nationwide mentoring campaign. Join us in promoting mentorship by:

- *Liking, commenting/replying, and sharing/retweeting Seedling's Facebook and Twitter posts.*
- *Sharing your mentoring story on Facebook and Twitter. Your mentoring story can inspire others to mentor in real life! Here are some sample posts:*
 - *#Mentorshipmeans sharing a meal. As a @SeedlingFoundation mentor, my mentee and I enjoy lunch with one another each week. It is not only a time for me and my mentee to fill our bellies but also to fill our hearts. #MentorIRL #NationalMentoringMonth*
 - *#Mentorshipmeans seeing limitless potential. As a @SeedlingFoundation mentor, I invest my time in the limitless potential of children affected by parental incarceration. If you see what I see, become a mentor: <http://bit.ly/2pWZTHV> #NationalMentoringMonth #CaringAdults*
- *Tagging friends, family members, and/or colleagues in comments and posts related to mentorship. For example, "Thank you, @Sally Smith, for being my mentor throughout the years. You have always seen my potential. #ThankYouMentor #Seedling"*
