

For 5th Grade Mentors: Let's Get Organized

It's March, and gardeners among us are organizing tools and preparing to plant seeds, in hopes of full blooms this summer. In a few months, our 5th graders will be starting new in Middle School. As their mentors, it is our hope they will bloom where they are planted!

This month, share with your mentee helpful tips in preparing for and cultivating success at school. With the right tools our mentees can learn how to stay organized, set goals and reap the rewards! [Read More...](#)
