

CROSS^TOVER

Healthcare Ministry

TIPS PROGRAM

Treatment, Intervention,
Prevention Services
for HIV/AIDS

“Mrs. Marsha, the nurse at CrossOver, always makes me feel welcome with her big smile and kind approach. When she opens the door to call out for me, her very first words are always, ‘Hello Jose*’, it’s so wonderful to see you!”

CrossOver TIPS Patient
*name has been changed

CrossOver offers full-spectrum **HIV/AIDS** care including:

- HIV/AIDS medical services
- Case management services
- Social work services
- Mental health services*
- Medical transportation services*
- Free, confidential, rapid HIV testing
- PrEP for prevention of HIV*
- Oral health services*
- Consumer Advisory Board (CAB Meetings)
- Access to HIV medication
- Medication adherence and education

We accept both insured and uninsured patients. Se habla español.

*Patient eligibility for these services varies.

“Our team’s goal is to provide trustworthy, effective, and compassionate care that supports not only the physical health of our patients, but also their overall well-being.”

*Dr. Vivian Bruzzese
Director of HIV Programs*
