## Taking Care Of Your Emotional Health: *A NEQCA Webinar for Clinicians*

**Thursday, April 16, 2020**

**6:30-7:30 p.m.**

Please join us for a facilitated discussion about addressing the impact of the COVID-19 outbreak on the emotional health of physicians and advance practice providers.

NEQCA's Clinician Wellbeing and Satisfaction Council was formed following a review of the findings from a 2019 NEQCA Clinician Satisfaction Survey. Council members serve as advisors, champions, ambassadors and catalysts for wellbeing throughout our Network.

The Council is co-chaired by Dr. Andrew Chandler of Hallmark Health Medical Associates/Tufts MC Community Care in Somerville and Dr. Jatin Dave, NEQCA Chief Medical Officer. Council membership is open to any Network clinician, including physicians, physician assistants, nurse practitioners and other advanced practice providers.
