

# WONDERING WHEN YOU CAN GET VACCINATED? OR HOW TO SIGN UP?

Guidance from Massachusetts Healthcare Providers

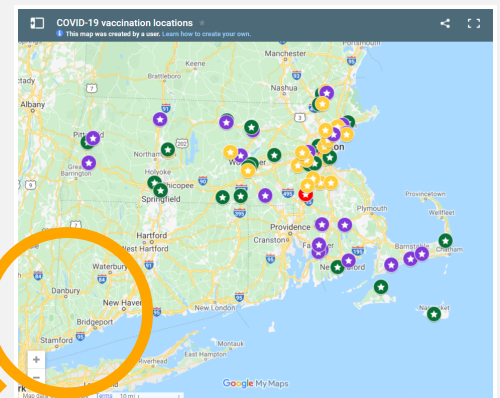

## 1 Visit [mass.gov/COVIDvaccine](https://mass.gov/COVIDvaccine)

- Click on “WHEN CAN I GET THE VACCINE?”
- Find your phase and priority group
- **NOTE:** General Public vaccination will not begin until later this year.

## 2 If you are eligible visit [mass.gov/COVIDVaccineMap](https://mass.gov/COVIDVaccineMap)

- Scroll down to the map of vaccination locations
- Click on a location near you, click on the link under “Book an appointment,” and follow instructions on the site’s webpage.
- **NOTE:** Announcements will continue to be made as eligibility expands.

## 3 Make an appointment online and fill out the attestation form

- **NOTE:** All sites require appointments
- Each pin on the map is color coded based on the type of vaccination site:
  - ★ Red star: Mass Vaccination Sites (high volume, large venue sites)
  - ★ Green star: General Vaccination Sites (healthcare locations)
  - ★ Purple star: General Vaccination Sites (pharmacy/grocery locations)
  - ★ Yellow star: Local Vaccination Site (open to select cities/towns)
