- The **Children's Hospital Los Angeles** is working on a project looking at the impact of immigration policy and its media coverage on Latinx health. They are specifically looking at the impact on mental well-being, accessing healthcare, and accessing social services (e.g. food stamp programs). If you would like to be interviewed over the phone to assist on this project, please contact Vanessa Tellez, vtellez@nhmamd.org.
- We are searching for a Spanish-speaking health professional who can give a 45- minute presentation on Dementia at the **Fleming Memory Center at Lehigh Valley Health Network**, Allentown, Pennsylvania. If you are interested, please contact Vanessa Tellez, vtellez@nhmamd.org.
- NHMA seeks **Physicians Liaisons** for our [Medical School Liaison Program](#) to meet three times a year with a LMSA Student Chapter to share options for medical careers in the community near the medical school. Latino medical students have few role models of Latino physicians and we want to help! Please contact Ben Melano, bmelano@nhmamd.org, for more information or if you are interested.
