

NHMA October Membership Opportunities

- The National Quality Forum is convening a [Rural Telehealth and Healthcare System Readiness Committee](#) to create a measurement framework linking quality of care delivered by telehealth, healthcare system readiness, and health outcomes in a disaster. Nominations close October 26 at 6 PM ET. If not an NHMA member, contact Vincent Gearity at vgearity@nhmamd.org.
- NHMA has been invited to participate with the U.S. Department of Health and Human Services to invite our networks to encourage individuals to volunteer in the nation's Operation Warp Speed Clinical Trials. The goal is to include a diverse group of 30,000 Americans to be tested to be able to offer COVID-19 vaccine doses to 300M Americans by end of this year and early next year: <https://coronaviruspreventionnetwork.org/clinical-study-locations/>.
- NHMA also encourages our networks to enroll and to inform your colleagues and patients to enroll in the Pfizer Vaccine Clinical Trial: [CovidVaccineStudy1.com](https://covidvaccinestudy1.com).
- We are also seeking: physicians, physician assistants and nurse practitioners (do not have to be Latino) who care for high risk Latinos and HIV patients (MSM and Transgender Females) to participate in the first national Latino HIV Healthcare Survey or be a part of Spanish radio interview on epilepsy among Latinos. If interested, please contact Wanda Salcedo, Executive Assistant, at nhma@nhmamd.org. NHHF is also looking for sponsors for our NHHF Scholarship Ceremony - Nov. 19th --- 5-7 pm/PST; 8-10 pm EST on Zoom. If interested, please contact Wanda Salcedo, Executive Assistant, at nhma@nhmamd.org.
