

Dear Ladies of Sierra Bible Church:

As many of you know, Tammi Brimer resigned as SBC Women's Ministry Director late last year, leaving the future of women's ministry uncertain. Jesse and I have been praying over what this ministry could look like moving forward.

We began by putting out a survey and hosting an interest meeting at church. I was so encouraged by the response, and the results from the meeting were promising! Twenty-one women attended, and several offered to fill leadership and support roles to keep this ministry progressing. Thank you to everyone who completed the survey and attended the meeting. Your encouragement, ideas, and enthusiasm were such a blessing. Together we discussed meaningful and enjoyable opportunities for the coming year. Existing Bible studies will continue with a couple more on the horizon. Events like the Fall Retreat and the Christmas Luncheon can continue as volunteers are willing to give their time and effort.

Please keep an eye out for future women's ministry emails with information about upcoming events and opportunities to get involved. Feel free to email me with any concerns and questions you may have, as well as any prayer needs. Through every season of our past, present, and future, SBC Women's Ministry will strive to "Follow Jesus, Make Disciples."

Carrying on,

Alli Richardson
