

# SEPTEMBER AT SBC KIDS

## WHAT WE ARE LEARNING

This month we are learning from the book of Numbers. We will learn about the 12 spies who see the land that God has given to the Israelites but how the people fail to trust God. We will then learn about the worship that God requires and that he hates false worship. Israel continues to be unfaithful to God but still God always provides a way of salvation. Finally, we will see how God is always faithful to fulfill his promises and nothing can get in the way of his plan.

## FOCUS VERSE

And as Moses lifted up the serpent in the wilderness, so must the Son of Man be lifted up, that whoever believes in him may have eternal life.  
John 3:14-15

## DEVOTIONAL

Week 1: Numbers 13:1-14:45

Week 2: Numbers 16:1-17:11

Week 3: Numbers 20:2-13; 21:4-9

Week 4: Numbers 22:1-24:25

Ask: 1. What is the passage about?

2. Which part stood out to you?

3. What do we learn about God from these passages?

## ACTIVITY 1

### Spy Out the Land

Grab two empty toilet paper rolls and string or yarn to make binoculars. Pretend you are going to spy out the land of Canaan. Discuss what you would see, how you would feel about it, and what sort of response you would have. Use this to discuss how we can always trust God even in times of uncertainty.

## ACTIVITY 2

### Memorize Scripture

Choose an activity you can do together to memorize the focus verse.

1. Reread the verse each day and use repetition to memorize.
2. Write the verse on a white board. Each time you say the verse, choose a word to erase until there are no words left.
3. Write the verse in big words on notecards. Scramble the words then work to put them in order.
