MARTIN LUTHER COLLEGE

Dear MLC Alumni,

We're excited to share an important update from your Martin Luther College Alumni Association!

Recently, the MLCAA Board spent focused time reflecting on how the Alumni Association can better serve alumni, strengthen connections, and support the mission of Martin Luther College. What emerged is a renewed sense of purpose rooted in our faith and calling.

The MLCAA connects alumni with the college and each other, equipping them to advance MLC's mission under Christ.

As we begin this new chapter, we are focused on support for MLC students through the MLC Alumni Association Endowed Scholarship. Each year, this fund gives $1,000 scholarships to two students with financial need. Will you help us reach more students?

WELS needs new pastors, teachers, and staff ministers more than ever. One of the most significant obstacles students face when considering that calling is the cost of college. We can help ease the burden, enabling more students to prepare for ministry and serve where the Lord leads them.

Together, we can make ministry preparation more accessible—and ensure that the gospel continues to be proclaimed boldly for generations to come.

Give to the MLCAA Scholarship Today

Thank you for your continued love and support for Martin Luther College. Your prayers and generosity help encourage future students to consider MLC and prepare for a lifetime of service under Christ.

With gratitude,

MLC Alumni Association
