

RPAC Major Investor Stepping Stones

Investing at any of the levels below will grant you invitations to exclusive RPAC Major Investor Events and the satisfaction of knowing that you've invested in protecting private property rights and the real estate industry.

President's Circle requires additional contributions totaling \$2,000 to be made separately and directly to select RPAC-recommended candidates. Participating in President's Circle lowers the sustaining rate for Crystal R and Golden R to \$1,000 + \$2,000 (President's Circle) and is only available for investments of \$1,000 and up.
