Black Friday. Cyber Monday.

#GIVINGTUESDAY™

November 29, 2016

At the start of the holiday season, we have a day for giving thanks and two days for getting deals. Did you know we also have a day for giving back? On November 29, you can join people around the world in celebrating generosity and supporting those in need.

Giving Tuesday is a global day of giving celebrated in the U.S. on the Tuesday following Thanksgiving. Following the widely recognized shopping events Black Friday and Cyber Monday, Giving Tuesday kicks off the charitable season and is unique in encouraging everyone to direct their giving on the same day to the nonprofit organizations of their choice – including AgeOptions.

Your donation to AgeOptions will help older adults and people with disabilities in our community by enabling us to continue providing vital options and services that make it possible for them to live with dignity.

Please go to the [AgeOptions website](#) at any time to make your Giving Tuesday or end of year donation and help us make a difference.
