Sponsorships and Advertising Opportunities Are Available for *Celebrating Leadership*: You Can Help AgeOptions Serve Older Adults

On October 18, AgeOptions will host our 14th annual fundraising event – *Celebrating Leadership* – from 6 to 9 pm in the beautiful Crystal Ballroom of the Hyatt Regency Chicago. Last year's event, attended by more than 350 guests, raised more than \$100,000 that directly benefits programs and services for older adults.

Last year AgeOptions served more than 155,000 older adults and caregivers through our network of community agencies. You can help ensure we continue to meet the needs of our growing older adult population by participating in this year's event. Here's how:

Become a *Celebrating Leadership* Sponsor

Share and celebrate your organization's leadership while supporting programs and services for older adults and their families in the 130 communities of suburban Cook County. For more information about sponsorships, contact Vera Lewis, director of corporate relations and communications, at vera.lewis@ageoptions.org or (708) 383-0258. She will be happy to answer your questions about the event and explain how you will benefit from being a 2018 Sponsor.

AgeOptions president and CEO Jonathan Lavin will retire at the end of October after 40 years of service, and will be succeeded by Diane Slezak, who is now chief operating officer.

Celebrating Leadership will mark this transition in AgeOptions executive leadership, and most important, will anticipate a vital future for aging services. Your support is essential to this celebration and to the future of the exceptional programs that AgeOptions has developed over the past 44 years, advancing the health, well-being, dignity and independence of older adults and caregivers.
