Your Update from AgeOptions

February 2017

## New Referral Page on AgeOptions Website Makes it Easy to Find Local Services

Older adults, caregivers and discharge planners can now easily find contact information for local services through a new AgeOptions web page.

Local nutrition services, adult protective services, caregiver resource centers and care coordination units can easily be identified on the new web page by providing ZIP code information.

**[Click here to go to the page.](#)**

The page can also be accessed from the [Services and Programs](#) section of the AgeOptions website.
