January 2018

Advocacy Training Is January 11

AgeOptions invites the Aging Network and all others interested in advocacy to our 2018 Advocacy Training on January 11. The training will be from 9 am to noon in the Matter Conference Room, 222 W. Merchandise Mart Plaza #1230, Chicago. For additional information, contact Kate Bobbitt, (708)383-0258; kate.bobbitt@ageoptions.org.

Why should you take part?

Using the case example of the Community Reinvestment Program (CRP), leaders in advocacy will discuss strategies, techniques and practical tips to exemplify the importance of advocacy efforts in administrative and legislative processes. CRP brought forth concerns of service sustainability for clients and changes in provisions of service for the Aging Network, but also resulted in advocacy actions.
