## **Representative Jan Schakowsky's Tribute to Kris Sadur Puts AgeOptions in Congressional Record**

When Kris Sadur retired in January as an aide to U.S. Rep. Jan Schakowsky, the congresswoman read a tribute that was entered into the Congressional Record.

"Kris learned much of her mastery of Medicare and other benefits for older persons while at AgeOptions for seven years," Jonathan Lavin, AgeOptions president and CEO, said.

AgeOptions is noted in the Congressional Record as an important part of Kris's background and service to older persons.

Kris retired after 10 years as constituent advocate/outreach coordinator in Schakowsky's Chicago district office. In her tribute, Schakowsky noted that Kris saved the primarily older constituents she served \$6 million during her tenure with the congresswoman.

In her testimony on January 18, Schakowsky said: "Kris has helped thousands upon thousands of Illinois 9th Congressional District residents throughout her 10 years. She is an expert on issues affecting the senior citizen and disability community, including Medicare, Medicare Part D, Social Security, health care, senior housing, housing homes and postal issues."

She continued: Prior to working in my office, Kris worked at AgeOptions, the Area Agency on Aging for suburban Cook County, where she was an outreach specialist."
