

Dear Friend of BRIDGES,

You are invited to be a part Reel Heroes Bass Classic to benefit Camp BRIDGES at Civitan Park Lake Guntersville on September 6, 2025!

For thirty years, we have helped kids, young adults, and families on their transplant journey. With your support, our camps and programs will continue to grow! Our mission is to provide camps and educational programs at no cost for children, young adults, and families who are living with an organ transplant. In 2025, we are expanding our mission to include other life-altering illnesses.

We create a fun and educational environment for heart, kidney, liver, and lung transplant recipients that encourages positive self-image and healthy transplant living. Those served receive and provide peer support and form lasting friendships to better cope with the unique challenges of transplantation. Your sponsorship will help us continue to serve children and families with transplants as well as expand to include other life-altering illnesses.

Please email info@campbridges.org if you need additional information about your sponsorship or donation. Visit us at www.campbridges.org to watch a video or to learn more.

Sincerely,

Chrissie Brantley, Executive Director
